The Warren/Niles Trade Area, located in Trumbull County, Ohio, is a dynamic region that plays a vital role in the Youngstown-Warren-Boardman Metropolitan Statistical Area (MSA). With a rich industrial heritage, the area has evolved from its historical roots in manufacturing to encompass a diverse economy that includes retail, healthcare, and education.

Warren, the county seat, is known for its historical architecture and vibrant downtown, which features a variety of shops, restaurants, and cultural attractions, including the historic Trumbull County Courthouse and the Warren Community Amphitheatre. Niles, adjacent to Warren, is famous for its scenic parks and the Mahoning River, offering residents numerous outdoor recreational activities.

The trade area is home to several educational institutions, including schools and vocational programs that contribute to workforce development. The community is also supported by essential services such as healthcare facilities and a network of public safety services.
